For generations, J.R.R. Tolkien's words have brought to thrilling life a world of hobbits, magic, and historic myth, woken from its foggy slumber within our minds. Here, he tells the tales in his own voice. Of historic note, these selections from *The Hobbit* and *The Lord of the Rings* are based on a tape recording Tolkien made in 1952, which inspired him to continue his own quest to see his vision in print. Also included is a never-published poem, "The Mirror of Galadriel," originally intended for inclusion in the trilogy, yet edited out. And, finally, Tolkien's son, Christopher, reads selections from his

father's The Silmarillion, the epic foundation upon which rests the whole of his work.

## 评论

京东上用优惠券败了一套，居然是4CD的！

-----  
托尔金自己和儿子录的作品片段，很有趣，值得收藏。托尔金对自己的作品声音诠释很有表现力，不亚于许多著名声音演员。
