Book Description

The only way to do it...is to do it. Change Activist shows you how to make a difference in the world while achieving personal fulfillment in your career. The author argues that profit and principles are mutually achievable, and guides you toward become the

driving force behind bigger, better, and more value-based results.

Publisher Comments:

Momentum books deliver business-focused life-coaching and address core themes of personal leadership, personal values, personal success, personal branding, and personal capital. In other words, books about what you've got and what to do with it.

Change Activist shows you how to make a difference in the world while achieving personal fulfillment in your career. The author argues that profit and principles are mutually achievable, and guides you toward become the driving force behind bigger, better, and more value-based results.
