He is not beautiful. His mother does not want him, children run away from him. People laugh at him, and call him 'The Elephant Man'.

Then someone speaks to him - and listens to him! At the age of 27, Joseph Merrick finds a friend for the first time in his life.

This is a true and tragic story. It is also a famous film.

作者介绍:

Tim Vicary lives near York, in the north of England. His legal thrillers about a tough British barrister, Sarah Newby, have been compared to the works of John Grisham and Scott Turow. The first two books in the series, *A Game of Proof* and *A Fatal Verdict*, were each awarded a B.R.A.G Medallion for being outstanding independent novels. The third book, *Bold Counsel*, was awarded the Awesome Indies Seal of Excellence. The fourth book, *Broken Alibi*, is already gathering positive reviews.

His four historical novels have also won praise. *Nobody's Slave*, a novel about the Elizabethan slave trade, won first prize in the young adult category of the Kindle Book awards 2014.

Tim has also written many graded readers for foreign learners of English, published by Oxford University Press, two of which - *Titanic* and *The Everest Story* - were winners in their category for the Language Learner Literature Award for the Extensive Reading Foundation.
