著者:列夫·托尔斯泰

出版者:Boomer Books

出版时间:2008-6-26

装帧:Paperback

isbn:9781434101563

Uncluttered by the complexities of plot and character that daunt so many readers of the longer Russian masterpieces, Tolstoy's tales illumine eternal truths with forceful brevity. While inspired by the sense of spiritual certainty, their narrative quality, subtle humor, and visionary power lift them far above the common run of "religious" literature. Moralists purport to tell us what our lives should mean, and how we should live them. Tolstoy, on the other hand, has an uncanny gift for simply conveying what it means to be truly alive Tolstoy is one of the great masters of fiction--and of Christian fiction. And the stories you will find here are many of his best.
