In the last five years, the United States has lost 2.6 million jobs — the most in any five-year period since the Great Depression. In the 2006 edition of his legendary job-hunting book, WHAT COLOR IS YOUR PARACHUTE? Richard Nelson Bolles offers hope and presents an inspiring and detailed plan for finding your place in this uncertain job market. WHAT COLOR IS YOUR PARACHUTE? has been the best-selling job-hunting book in the world for more three decades, in good times and bad, and it continues to be a fixture on best-seller lists, from Amazon.com to Business Week. It has well over eight million copies in print and has been translated into 12 languages around the world. With an extended preface that addresses job loss, vacancies, and outsourcing and updated references on how to use the Internet in your job-hunt throughout, the 2006 PARACHUTE addresses the top concerns of today ’s job-hunters. In the words of Fortune magazine: "Parachute remains the gold standard of! career guides."

不论是哪一年的版本 对于知道自己要做什么的人 都是没啥用处的 有点浪费时间。
