Get artistic inspiration and practical techniques in one full-color, example-packed

volume: The Painter 7 Wow! Book. The definitive guide to this popular paint program is back--thoroughly revised to include a plethora of new tips, step-by-step techniques, and illustrations that make deciphering this new version a breeze. Author Cher Threinen-Pendarvis shows you how to get the most out of Painter 7's improved interface and tools, including its awesome natural-media brushes and effects. Plus, she's added new projects and galleries as well as special Primer sections to cover Painter 7's new Water Color and Liquid Ink media layers and brushes.</P>

The Painter 7 Wow! Book strikes the perfect balance between hands-on, step-by-step instruction and visual inspiration. You'll find thorough coverage of the basics--Painter's tools, functions, and preferences--as well as plenty of real-world examples from print, multimedia, and the Web. Best of all, the book's galleries feature work from a top-notch cast of fine artists, designers, photographers, and illustrators who use Painter to illuminate books and magazines, CD-ROMs, gallery walls, and the Web. On the accompanying CD-ROM you'll discover loads of custom brushes, papers, patterns, and scripts created by the author; goodies shared by contributing artists; high-resolution stock photographs and video clips; and a demo of Painter 7. Novices and pros alike will be creating digital master works in no time with Painter 7 on their computers and this dazzling guide at their side.</P></BODY></HTML>

## 评论

嘿嘿，当时还是常按它上面的教程画画滴。

-----  
美国人总是喜欢从最自然的学习过程教给你事情，电子艺术，由这本开始！

-----  
正到極..在讀中文版

-----  
WOW  
BOOK系列太精美太有创意了！老外的没那么多教条主义，赞到家的插图非常直观！但还是有些深度。

-----  
从图书馆借的，很不厚道地缩印了一份收藏之~

-----  
我想看painter9的...
