出版者:Ballantine Books

出版时间:1985-02-12

装帧:Paperback

isbn:9780449901427

"Illuminating and informative....Essential reading."

THE NEW YORK TIMES BOOK REVIEW

Writing with great passion, warmth, and wit on a subject that's never been explored in these terms before, Susan Brownmiller draws on the many manifestations of femininity through the ages, and demonstrates in beautiful and telling detail the many powerful nuances of that one word.

"A positive joy to read!"

Nora Ephron
