When their father is sent away to prison ,three London children move to the country where they keep busy preventing accidents on the nearby railway,making many new friends, and generally learning a good deal about themselves. In this much-loved children's classic first published in 1906, the comfortable lives of three well-mannered siblings are greatly altered when, one evening, two men arrive at the house and take their father away. With the family's fortunes considerably reduced in his absence,the children and their mother are forced to live in a simple country cottage near a railway station. There the young trio--Roberta, Peter,and young Phyllis--befriend the porter and station master.

原版看的很慢，很慢，因为这是美好的书，童话般的，激励人心的故事，总在那个痛苦的背景下发生了。但是他们不提，作者不提，书评不提，那就让我们都忘记吧。。。。
