著者:William S. Burroughs

出版者:Penguin Books

出版时间:2003-4-1

装帧:Paperback

isbn:9780142003169

Before his 1959 breakthrough, "Naked Lunch," an unknown William S. Burroughs wrote "Junk," his first book, a candid, eyewitness account of times and places that are now long gone. This book brings them vividly to life again; it is an unvarnished field report from the American postwar underground. For this definitive 50th-anniversary edition, eminent Burroughs scholar Oliver Harris has painstakingly re-created the author's original text, word by word, from archival typescripts. Here for the first time are Burroughs's own unpublished Introduction and an entire omitted chapter, along with many "lost" passages and auxiliary texts by Allen Ginsberg and others. Harris's comprehensive Introduction reveals the composition history of "Junk"'s text and places its contents against a lively historical background.

评论

两百页写了无数轮回

八年吸毒史，垮掉一代颇具才华的作家William. S. Burroughs 第一部半自传小说。

特别淡定地讲大风大浪

以一种低姿态行文

He is calm. A calm, poor, well-educated junky. the Beat Generation. with "Junkie: An Appreciation" by Allen Ginsberg.

喜欢他摊开手来自己也不清楚到底怎么想用迷惘却又澄澈的眼神看着读者的感觉。

吸毒-贩毒-戒毒-复吸-逃往墨西哥-再次戒毒...巴勒斯是个Junky但也始终是个作家，记录自己经历的一切时所运用的语言是那么清醒理智，好像他只是一个旁观者而不是当事人。

this book tells me basic things about being a drug addiction. Such as the feeling of without drug. and the amount of junk which junky will take daily.

“A junkie spends half his life waiting.”

audible 听完的第一本书 基本上走路的时候听的所以很多都漏掉了… 回头再听一遍

很多时候的反应都是 “这都行”

The equation is, junky is nothing else but just a lifestyle.

欲翻译未遂

as good as queer

书评

Junk is lifestyle: a habit that relinquishes triviality of life, a cloak that hides away the cruelty of life, and a silent stance against homogeneity and alienation of modern life. It is a life that was destined to fail and a belief that was fated to decay....
