I Kissed Dating Goodbye shocked the publishing world in 1997 with its meteoric rise to the top of bestseller lists. Teens wanted more than dating "rules" -- they wanted an intentional, God-pleasing game plan. In this dynamic sequel, newlyweds Joshua and Shannon Harris deliver an inspiring and practical illustration of how this healthy, joyous alternative to recreational dating -- biblical courtship -- worked for them. Boy Meets Girl helps readers understand how to go about pursuing the possibility of marriage with someone they may be serious about. It's the natural follow-up to the author's blockbuster book on teen dating!
