isbn:9780810946514

The latest title in the Great Modern Masters series of monographs on leading 20th-century artists offers 71 full-color illustrations and a lucid introduction on Modigliani. The work of this Italian painter and sculptor has never been more popular than it is today. His sensuous nudes and intense, mannered portraits have become favorites of collectors and museum-goers alike. This affordably priced, colorful hardcover captures the intensity of his art with beautifully reproduced colorplates.
