Synopsis

The book you can't afford to be without "DIY: know-how with Show-how" for success

every time! Every single step is presented sequentially and photographically, breaking down each stage of a job, from choosing tools to performing tasks to simple fixes for common problems. The overview feature also keeps you on track by showing you the entire sequence of events from start to finish. Whatever your level of DIY ability, the simple, clear, un-intimidating style ensures even the hard jobs are made easy and you can tackle any DIY task with confidence and enthusiasm.
