isbn:9780226224824

Written in clear, lively prose, *The End of Kings* traces the history of republican governments and the key figures that are united by the simple republican maxim: No man shall rule alone. Breathtaking in its scope, Everdell's book moves from the Hebrew Bible, Solon's Athens and Brutus's Rome to the impeachment trial of Andrew Johnson and the Watergate proceedings during which Nixon resigned. Along the way, he carefully builds a definition of "republic" which distinguishes democratic republics from aristocratic ones for both history and political science. In a new foreword, Everdell addresses the impeachment trial of President Clinton and argues that impeachment was never meant to punish private crimes. Ultimately, Everdell's brilliant analysis helps us understand how examining the past can shed light on the present.

"[An] energetic, aphoristic, wide-ranging book."--Marcus Cunliffe, Washington Post Book World

"Ambitious in conception and presented in a clear and sprightly prose. . . . [This] excellent study . . . is the best statement of the republican faith since Alphonse Aulard's essays almost a century ago." --Choice

"A book which ought to be in the hand of every American who agrees with Benjamin Franklin that the Founding Fathers gave us a Republic and hoped that we would be able to keep it."-Sam J. Ervin, Jr.
