really useful attitude, synchronize yourself, open questions, reveal the sensory preference and make yourself be like him or her

some information everyone can learn from any subjects of communication skills ' lessons.

那种for dummeis系列一句话绕来绕去讲十遍那种书。

书作者已经老头子一个了~呵呵，但是人很和善，稀饭这个主题。说得很好

云里雾里的看完了

其实 我感觉 我没有看懂，与此同时，我也没有看完

I'm an auditory...

90 second rule—Speed is of the essence. The idea is to get the other person talking, then find out what matters to him or her, then synchronize yourself accordingly.

书评

Man, there are so much to learn in communication...This book is a pretty good guildline for establishing rapport, that is, to form harmony with other people. The author also read the audio book for you. So have a try. Some of the skills are easy and obviou...
