Through the courageous faith of the Christian slave girl Hadassah and the troubled lives of the Roman masters, An Echo in the Darkness continues this moving tale of first-century Rome. Having narrowly escaped death, Hadassah conceals her scars--and identity--with veils. But it is her God-given ability to heal others that brings her to perhaps her greatest trial. God's forgiveness and redemption triumph as this young woman, assumed to be dead, is called to risk her life for the one who would have destroyed her.

爱的救赎和回归之路。

Hopefully I could finish it in April. (I finished it before April comes, haha. I'm pretty sure this is the best of the three. I'm about to find out soon.)
