Meth-heads, man-made monsters, and murderous Neo-Nazis. Blissed out club kids dying at the speed of sound. The un-dead and the very soon-to-be-dead. They're all here, trying to claw their way free.

From the radioactive streets of a war-scarred America, where the nuclear bombs have become self-aware, to the fallow fields of Nebraska where the kids are mainlining lightning bugs, this is a world both alien and intensely human. This is a place where self-discovery involves scalpels and horse tranquilizers; where the doctors are more doped-up than the patients; where obsessive-compulsive acid-freaks have unlocked the gateway to God and can't close the door.

This is not a safe place. You can turn back now, or you can head straight into the heart of ...
