Now updated to include newer maps and photos -and lighter in weight to support carefree traveling- this comprehensive guidebook to the Camino de Santiago and its offshoots contains all the information needed by modern-day pilgrims wishing to walk the sacred Way of St. James. Overview route planners plus daily stage maps and detailed town plans help sojourners with all the advance preparation they need. The maps feature contour guides to help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. Otherwise known as the Camino Frances, the main route covered in this volume is the most popular sacred route through Spain, from St. Jean Pied de Port to Santiago.

去年陪伴了我camino一路的书 每天路上在各种bar和到了albergue shower后必看

途中买的，留作下次走全程的时候用

对路线和albergue的描述还比较准确，部分需要更新。Mystical path这一部分虽然没什么用，但读起来很好笑。如果能省掉可以减少许多重量。
