Director Stanley Kubrick's 1968 masterpiece, cowritten by Arthur C. Clarke, engages us in a mythological, symbolic vision of human destiny. Even the title year is not to be taken literally. Like a prophet's riddle, this enigmatic movie challenges our perceptions... and our preconceptions.

Kubrick's Prophecy will guide you to:

- * perceive important details and symbols in 2001's world
- * read Kubrick's mythological and cinematic language
- * discover repeating patterns that unlock the film's meaning
- * experience 2001's insights into humankind's growing crisis and the path to reaching our evolutionary potential.
