Most Christian teens don't know how to pray. And when they do pray, they don't know how to discern God's voice. In Girl Talk With God, author Susie Shellenberger shows teens how to pray and challenges them to deepen specific areas in their lives through a series of conversations between God and a teenage girl. As editor of Brio magazine, a Focus on the Family publication for teenage girls with a circulation of over 200,000, Shellenberger has proven a keen ability to reach this often-misunderstood age group with her signature blend of casual, non-threatening teaching.
