These colorful, interactive quiz books provide questions and answers on everything from exotic wild animals to everyday household items, from far away people and places to plants and insects in children's backyards. The unique stand-up format allows children to challenge one another to a game of wits or to test their knowledge on their own. Kids will have fun while learning about the world around them through questions on a variety of skill levels. Vibrant illustrations ensure that the facts will come to life for children as they flip through these educational quizzes.
