Compact INTRODUCING guide to Christianity' s central figure. Christianity depends on

the belief that the Jesus of history is identical with the Christ of faith, and that God in the person of Jesus intervened finally and decisively in human history. But is the historical Jesus the same as the Christian Saviour? And how did an obscure provincial religion based on the paradox of a crucified saviour conquer the Roman Empire and outlive it? INTRODUCING JESUS – A GRAPHIC GUIDE confronts the enigmas. It sets Jesus in the perspective of his time – within Judaism and its expectations of a Messiah, in the atmosphere of Greek philosophy and the Roman deification of emperors. It traces the development of Christianity from St. Paul and the Romanization of the Church, to modern liberation theology. This book is a lucid and exciting investigation that will appeal to all readers, whether Christian or not.

作者介绍:

Anthony O’ Hear is Professor of Philosophy at the University of Buckingham and Head of the Department of Education. Judy Groves is a painter, graphic designer and illustrator. She has illustrated numerous Introducing titles.
