"A fascinating, vastly enjoyable, deeply researched and fair account of Einstein the man." --Physics World

"Exhaustively researched, almost obsessively detailed, written with unobtrusive informality, the book is exemplary as a record of Einstein's personal and professional life." --The Spectator (u.k.)

"An utterly fascinating life of a great scientist, full of new insights and very readable."  
--Ashley Montagu

"A fascinating read with more interesting material about Einstein as a human being than I have ever seen before.... Once I started it, I couldn't put it down." --Robert Jastrow, astrophysicist and bestselling author
