New revised and expanded edition!

"The story of painting is one that is immensely rich in meaning, yet its value is all too

often hidden from us by the complexities of its historians. We must forget the densities of 'history' and simply surrender to the wonder of the story." -Sister Wendy Beckett

Internationally renowned art historian Sister Wendy Beckett brings her knowledge, her deep love of art, and her luminous insights to The Story of Painting- making a difficult subject accessible and stimulating to all. The Story of Painting features more than 450 masterpieces- all faithfully reproduced in rich, full color- chronicling the developments and movements in the history of painting over the past 800 years, from Gothic to Renaissance, Romanticism to Impressionism, Post-Impressionism to Modernism. Each movement is introduced by visual timelines to provide an instant overview of the significant artists and paintings of the era. This enhanced and expanded edition of The Story of Painting has almost doubled in size. It expands the existing 400 pages to 736, focusing on the approximately 450 paintings with facing pages of details for almost 200 of them. This classic art book presents the masterpieces in two ways: as the original painting appeared and, on double spread pages, as enlarged close-ups of the paintings' most pertinent details. Now the reader can study a painting as though standing in front of it in a museum, seeing the powerful effect of the whole and then studying the minutest details of brushstrokes, textures, quality of lines, and overlays of color.

很详细讲解了欧洲史前艺术到现代艺术。想了解西方艺术历史，此书非常推荐！配图和解释都做得非常好。同样是编著的书，有些真的很有价值，有些就是垃圾。这本是珍宝！我想我会再次阅读的。

Love to follow Sister Wendy's artistic tour~
