Armistead Maupin's *Tales of the City* has blazed a singular trail through popular culture -- from a groundbreaking newspaper serial to a classic novel to a television event that entranced millions around the world. The first of six novels about the denizens of the mythic apartment house at 28 Barbary Lane, *Tales* is both a wry comedy of manners and a deeply involving portrait of a vanished era.</P>

Intriguing story set in San Francisco. Love the narrative - very smart characters.
