Desperate Housewives, the breakout hit from ABC that single-handedly brought back the classic prime time soap, is now stronger than ever in its second season. Its mix of satire, comedy, and mystery is so inventive, audiences are addicted to, even desperate to watch, each episode. Featuring stunning images of the women of Wisteria Lane accompanied by actual images from the show, the Desperate Housewives 2007 Calendar will match the success of this phenomenal series. And fear not! the men of Wisteria Lane are included too.

Desperate Housewives was nominated for fifteen 2005 Emmys. From Glamour to TV Guide, from Entertainment Weekly to Vanity Fair, the female stars of Desperate Housewives have graced the cover of just about every reputable magazine, indicative of the massive media frenzy that surrounds the stars and the show.</p>
