Presented in their complete text and updated for easier reading, each story in the Great Stories Collection is truly unique. Each has been rigorously critiqued and selected for the quality of its Christian content, the value in its message, and its ability to bring and bind a family together. In-depth introductions detail both the authors and the times in which they lived. Many books feature original woodcut illustrations. Complete with thought-provoking questions, these books are keepsakes to be treasured for years to come. Perfect additions to the adult fiction section.

What happens when Little Women's Jo (March) Bhaer and her husband open their hearts and home to educate and care for young boys? Even more lads arrive on their doorstep! The sequel to Louisa May Alcott's well-loved story Little Women, Little Men shares the heartwarming story of a handful of rowdy yet kindhearted boys who have a positive effect on the lives of the entire Bhaer family-including the two young sons. With tales ranging from tearful to cheerful, it's a delightful glimpse into the life of one of American literature's favorite tomboys and how she lovingly transforms boys into men.
