Few things inspire more picture-taking—and more scrapbook-making—than a new baby. Even those who have never arranged a photograph on a page suddenly feel motivated to preserve every precious milestone, from first smile to first step. Kodak is here, as always, to help them do it beautifully, with more than 100 easy and exciting

ideas from the very best contemporary artists. Parents will see how the experts showcase adorable images of babies from birth to age two, and with each delightful example they'll learn ways to make background pages, embellish layouts, and create a journal to treasure for generations. Special how-to information will enable readers to recreate every special effect. And, since great scrapbooks begin with great photos, KODAK Books offers insights and guidelines for getting unforgettable pictures of baby.
