With more than 40 million members worldwide, Monster.com has become the first place that people look to develop career-making connections. Based on his company's astonishingly successful techniques, this powerful guide from Monster founder Jeff Taylor gives readers everything they need to know about the most vital component of building a successful career. Through real-life scenarios and advice from experts, Monster Careers: Networking provides proven, detailed strategies for identifying highly connected people who can help job hunters succeed in any industry or market. Readers will learn how to speak with confidence, build a network of relationships, and follow through for success.
