This book seeks to fulfill its title. Thus, first of all it contains cases. Cases are at the same time sources of legal doctrine in the law governing law practice, a mirror of the minds of judges in interpreting what lawyers do, and stories of difficult situation that lawyers confront. This book also contains statutes and rules of professional conduct, as well as source material on ethics and morals. This book covers topics including confidentiality, conflicts of interest, the lawyer-client relationship, and more.
