Authoritative and accessible, The Little Brown Handbook helps writing students find what they need and then use what they find. One of the best-selling handbooks on the market, it provides comprehensive coverage of writing, research and grammar, with detailed discussions of critical thinking and argument, using computers and the Internet for writing and research, the latest guidelines for citing sources correctly in MLA, APA, CMS, CSE and COS styles, and writing in the disciplines. Accompanied by the CompSolutions Plus Interactive Ebook of the text (sold separately), The Little Brown Handbook retains all the hallmarks that has made it a bestseller over the years while continuing to meet the needs of a new generation of students. Provides complete, authoritative coverage of the writing process, research and grammar, with detailed discussions of critical thinking and argument, using computers and the Internet for writing and research, the latest guidelines for citing sources correctly in MLA, APA, CMS, CSE and COS styles, and writing in the disciplines. For anyone needing a reference geared to writing and/or researching papers.
