The lovely, realistic artwork and lyrical text combine to help the child to differentiate between himself as a human and a particular, familiar, small animal. The child will learn about the creature's life cycle, appetite and predators. An ideal introduction to the natural world.

Key Features:

This charming series introduces young children to the natural world

Direct, lively text, packed with grisly facts that children will love to read

Colourful and imaginative artwork

Describes the lives of small, familiar creatures

Ideal for parents and children to read aloud

Text written by prize-winning author

A young snail faces many challenges as it tries to grow safely into an adult. All the facts a young child needs to understand the life of this intriguing backyard creature are packed into this engaging narrative.
