著者:E. M. Forster

出版者:Carroll & Graf Publishers

出版时间:1999-05

装帧:Paperback

isbn:9780786706235

The recent successful film adaptations of *Howard's End*, *A Room With a View*, and *Where Angels Fear to Tread* have helped to inspire a new critical and popular readership for E. M. Forster. With an introduction by Louis Auchincloss, these three classic novels are accompanied here by *The Longest Journey* and the short stories from his admired first collection, *The Celestial Omnibus*.
