装帧:Paperback

isbn:9780072193923

Enhance your Visor experience with this comprehensive, solutions-packed guide. Easy to follow and loaded with practical information, this resource will help you master built-in applications and become familiar with third-party tools, allowing you to get the most out of your handheld device. Ideal for both beginners and experienced users, this

reference covers everything from basic set-up to advanced development tools that will allow you to create your own applications.
