Get the scoop on the latest features and add-ons

Packed with savvy tips for mobile professionals

Have more fun and get more done with your Treo or Visor

Handspring Visors offer a winning combo of clever features and Palm OS power - and the new Treo ups the ante with a built-in phone as well as Internet and e-mail capabilities. This friendly reference deals you in on the whole range of possibilities, from Graffiti and personal information management basics to Treo wireless functions, hot new Springboard add-ons, and the best third-party software.

The Dummies Way

Explanations in plain English

"Get in, get out" information

Icons and other navigational aids

Tear-out cheat sheet

Top ten lists

A dash of humor and fun
