A book and course that teaches you the Natural Systems Thinking Process

A nature connected learning tool enables our psyche to genuinely tap the healing

powers of nature and regenerate 48 peaceful natural intelligences in our awareness and thinking.

Backyard or backcountry, this practical, multiple-sense, book empowers you to improve your health, relationships and happiness by replacing destructive omissions in how we learn to think with rejuvenated natural sensitivities.

Learn how to reconnect your psyche to its nurturing origins in the restorative vigor, sustainability and peace of nature.

Help yourself and your community benefit from the profound renewal that lies in the magnificence of a beautiful day, the wisdom of an ancient tree and the fortitude of a weed.

Let nature's invincible healing energies help your thinking transform your stress, disorders and harmful bonds into constructive personal, social and environmental rewards.

Grow from hands-on, accredited, Applied Biophilia classes, essays, activities, research, internships, ethics, counseling and healing.

Strengthen your inborn natural genius. Enjoy an Earth-friendly job, career, internship or teaching certification. Take advantage of subsidized, online courses and degree programs.
