Raymond Briggs' s funniest creation–the Boy Wonder of the Stone Age.

This funny, sad, yet wonderfully life-affirming story is about a misunderstood boy genius who refuses to accept the limitations of the world in which he lives. Young Ug is upwardly mobile, always on the brink of finding a better way, a nicer way of getting through life. He discovers that the fire that comes out of the sky can make dead animal bits taste terrific, but his mother thinks this is a disgusting idea and, she adds, “Terrific? What sort of word is that? Don’ t you bring language like that into this cave!” He invents the wheel but doesn’ t know quite what to do with it. What he really wants is a pair of soft, warm trousers. But how many millions of years must he wait for them? Ug’ s story is told in more than 100 colorful frames with speech balloons much like a graphic novel but for a younger audience. Witty footnotes explain some of the many hilarious anachronisms.
