Olivia Goldsmith -- bestselling author of The First Wives Club -- delivers her best revenge novel to date. The best way to beat the system is from the inside! Meet Jennifer -- a smart, sexy woman who has broken through the glass ceiling to become a big-time trader in the world of high finance. When her boss is caught playing fast and loose with the regulations, Jennifer agrees to take the rap. After all, her fiance is a lawyer with the connections to get her off. Instead, she ends up in a women's prison; a world a whole lot meaner than Wall Street and where her designer clothes and fancy education count for nothing. She has to learn fast if she wants to survive and she does, once she is accepted by the prison's top 'crew'; a group of smart, strong, scary women led by tough lifer Movita and crazy Cher. These are women that Jennifer would never, ever, have befriended on the outside, but on the inside she soon discovers that working together is the only way out!
