An artist of uncompromising vision who gives free range to his brilliant, often bizarre imagination, H.R. Giger has created some of the most successful marriages of design and film in history. In this collection, Giger takes readers on a tour of his fantastic designs, from genesis through gestation to birth, for such films as *Alien*, *Alien 3*, and *Species*. 200 photos & illustrations.

趁誠品年度清倉拍賣買的，雖然是買到展示書，不過至少價格比較親民。喜歡異形的人不容錯過，可以看到Giger的創作歷程。
