## 作者介绍:

Jerome Carcopino was born at Verneuil-sur-Avre (Eure) in 1881. He was educated at the Ecole Normale Supérieure, where he specialised in history. From 1904 to 1907 he was a member of the French School at Rome, returning as professeur of history to the lycée in Le Havre. In 1912 he became a lecturer at the University of Algiers and inspector of antiquities for Algeria until 1920, but his career there was interrupted by the First World War, in which he served in the Dardanelles and the East. He was a professor at the Sorbonne from 1920 to 1937 when he became director of the French school at Rome. Having retired from there, he continued his membership of the Académie des Inscriptions and was elected in 1955 to the Académie Française. He died in 1970.
