For those who don't like skiing or skating, you can always stay indoors with your family and friends. Some people like to play cards at home. Learn about one of the most popular American card games, Poker, on page 38. Winter is also a great time for America's biggest metropolis--New York City (read more on page 4). The chilly weather brings many tourist and special events to the "Big Apple" One of New York's biggest events is the New Year's Eve celebration. Many other countries also welcome in the New Year in January. Compare traditions on page 36. But with Chinese New Year approaching, how are you going to celebrate? Share your holiday plans with OF magazine!
