Over the course of nine novels, Tom Clancy's genius for big, compelling plots and his natural narrative gift (The New York Times Magazine) have

mesmerized hundreds of millions of readers and established him as one of the preeminent storytellers of our time. Rainbow Six, however, goes beyond anything he has done before. At its heart is John Clark, the ex-Navy SEAL of Without Remorse and well-known from several of Clancy's novels as the dark side of Jack Ryan, the man who conducts the secret operational missions Ryan can have no part of. Whether hunting warlords in Japan, druglords in Colombia, or nuclear terrorists in the United States, Clark is efficient and deadly, but even he has ghosts in his past, demons that must be exorcised. And nothing is more demonic than the peril he must face in Rainbow Six: a group of terrorists like none the world has ever encountered before, a band of men and women so extreme that their success could literally mean the end of life on this earth as we know it. It is Tom Clancy's most shocking story ever--and closer to reality than any government would care to admit. As Clancy takes us through the twists and turns of Rainbow Six, he blends the exceptional realism and authenticity that are his hallmarks with intricate plotting, knife-edge suspense, and a remarkable cast of characters. This is Clancy at his best--and there is none better.

劇情編排事件描寫都很帶勁，就是最後的決戰有點沒盡興的感覺，完全就是勝之不舞的虐了。在幾個大案子中，最喜歡的當然就是Popov策劃的最後一個，果然就是有死好人變態的觀眾才會覺得值回票價嘛！男性荷爾蒙滿溢！

Classic antiterrorist and special operations.
