A New York Times Notable Book of the Year

Elizabeth Tyler MacMann, the ambitious First Lady of the United States (and known in the tabloids as “Lady Bethmac”), is on trial for the death of her philandering husband, and the only man who can save her is the boyfriend she jilted in law school—now the most shameless defense attorney in America. Published to rave reviews, *No Way to Treat a First Lady* is a hilariously warped love story for our time set in the funniest place in America: Washington, D.C.
