出版时间:2000-05-09

装帧:Paperback

isbn:9780679740858

In this masterful portrait of the poet who dazzled an era and prefigured the modern age of celebrity, noted biographer Benita Eisler offers a fuller and more complex vision than we have yet been afforded of George Gordon, Lord Byron.

Eisler reexamines his poetic achievement in the context of his extraordinary life: the shameful and traumatic childhood; the swashbuckling adventures in the East; the instant stardom achieved with the publication of *Childe Harold's Pilgrimage*; his passionate and destructive love affairs, including an incestuous liaison with his half-sister; and finally his tragic death in the cause of Greek independence. This magnificent record of a towering figure is sure to become the new standard biography of Byron.
