Now quilters really have something to smile about, thanks to Leisure Arts's exclusive publishing partnership with quilting and lifestyle legend Debbie Mumm. In this new design collection, Debbie Mumm is sure to delight her millions of fans with creative, colorful quilting projects that can be stitched up in a jiffy. And with comprehensive cutting charts and step-by-step directions, they're not only fun, they're also fun to make.

Features:

- * Debbie Mumm's stylish, innovative designs have attracted legions of devoted quilting followers for more than 15 years
- * She is the author of more than 40 quilting and home decorating books, and heads up Debbie Mumm, Inc., a successful design, publishing, and licensing company
- * 24 fun, why-not? quilting projects for every room in the house
- * Editor's favorites include the Color Spectrum Quilt for its dazzling interplay of light and dark colors
