isbn:9780261102224

The first of a two-book set that contains the early myths and legends which led to the writing of Tolkien's epic tale of war, The Silmarillion. The Book of Lost Tales stands at the beginning of the entire conception of Middle-earth and Valinor for the Tales were the first form of the myths and legends that came to be called The Silmarillion. Embedded in English legend and English association, they are set in the narrative frame of a great westward voyage over the Ocean by a mariner named Eriol to the lonely Isle where the Elves dwelt; from them he learned their true history, the Lost Tales of Elfinesse. In the Tales are found the earliest accounts of Gods and Elves, Dwarves, Balrogs and Orcs; of the Silmarils and the Two Trees of Valinor; of the geography and cosmology of Tolkien's invented world. This series of fascinating books has now been repackaged to complement the distinctive and classic style of the 'black cover' A-format paperbacks of The Hobbit, The Lord of the Rings, The Silmarillion and Unfinished Tales.

内容呢就是Silma里前几章的内容也就是中土世界的起源, 但是托老写长诗真心美啊, 舍不得一次读完, 经常读着读着就要合上书想象一会儿.

已到手!

其实就是加了注释和说明的宝钻

Think on Kortirion and be sad - yet is there not hope?
