In the sixties, Briony Cavanagh ran a string of the most notorious brothels in London. Only Briony knew what went on behind those doors, and she never opened her mouth - unless she stood to benefit. Only Briony knew the painful road she'd travelled to get there. From an impoverished childhood that ended with shocking betrayal, she was determined to be mistress of her own fate. But along with success came risk and danger. And the Goodnight Lady had her own secret place that was always shadowed by loss.
