"Something changes. It's so sudden it's like a bus has charged down the road and hit me straight in the face. I have a plan. I could lose weight."

All Jasmine Harwood has ever wanted is a true friend, a best friend. But Corisande isn't trustworthy. In fact, sometimes Corisande doesn't act like she wants to be Jasmine's friend at all. With Cori's bullying, almost every day turns into hell. That is until Jasmine finds an escape...

A dangerous obsession begins. A world of anorexia and silence.
