## 书评

去美国时买了几本，冲着demi的封面故事~~不过不是挺喜欢那期的造型。。里面的很多人物也都是我挺喜欢的、、comme une adolescente,je l'aime bien !

Teen vogue is a magazine that aims to help teenage girls stay tuned in to the hot new

looks Teenvogue is not only a magazine, it is also a book you can learn from. Young girl at 12 to 18 year may be confused about herself, and find it hard to communicate deeply with parents, or even the friends. Girls today are faced with unprecedented - and conflicting - social expectations, and they are unable to meet them all. That is putting a growing number of teenage girls at risk for aggression, eating disorders, depre...
