著者:Clinton Heylin

出版者:Schirmer Books

出版时间:1998-10

装帧:Paperback

isbn:9780825672019

Second in Schirmer Books Classic Rock Album series, Never Mind the Bollocks is the infamous first album of the Sex Pistols, the founding fathers of punk rock. Fresh of the success of their 1996 comeback tour, the group has never been bigger. Musically, the Sex Pistols had an enormous impact on rock and roll, influencing many bands from the Clash and Talking Heads to Nirvana and Green Day. Now, for the first time, the full story of how their classic album was made is told, drawing on first-hand information and original interviews on the sessions. A critical guide to one of the most important rock albums of all times, The Sex Pistols: Never Mind the Bollocks will also serve as the first serious book-length study of this seminal group. Clinton Heylin has written many books on popular music, including From the Velvets to the Voidoids, Bob Dylan: Day by Day (Schirmer Books, 1996) and Down at the Rock n Roll Club (Schirmer, 1998).
