Last year at this time, Jordan never would have thought her junior year would be like this: stuck in a twisted love triangle with Shawna Frye and Timothy Lawrence. But when Timothy broke up with Shawna--to date Jordan!--what else could she have done?

When Shawna lures Timothy back, Jordan feels absolutely green with envy--so much so that she considers doing anything to get him back. Anything. Eventually, her frustration draws her back to her former best friend, Kara, who knows what it's like to be betrayed. She introduces Jordan to someone who can change her whole life.

Carrying over characters and themes from the first book of the TrueColors series, Deep Green introduces new layers of complexity and depth. Includes jealousy related discussion questions.
